Enjoy music lessons with an experienced and well-qualified YMES approved teacher.

We arrange lessons for students of all ages and standards on a wide range of instruments as well as singing, with coverage through the Leeds area and beyond. Whether you'd like to work towards exams or simply learn for fun - YMES is ready to match you with your perfect music teacher.

All teachers hold an enhanced DBS check, and as all teachers are selected from interview and audition by our Director you can be assured that you'll be receiving high quality teaching.

With teachers who teach from their own home studios and teachers who travel to you in the comfort of your own home, we have a range of options to suit everyone.
